

FREE FAMILY
BARN DANCE

Fun for all ages – no experience needed

Bill teaches and calls easy dances.
Music by *Celtic Fare* with Stu Bougen

Monday 4th April
6:30 to 9:30 p.m.

Kaiapoi High School Hall

Please bring a plate for supper
Note school grounds are
smoking and alcohol free

Information 03 351 2351

Sponsored by the Royal Society of New Zealand. It's the *Dance of Mathematics*.
Sounds weird? Don't worry.

What's the maths bit? What's it all about?

Coming to the dance will be some great mathematical entertainers from the University
of Canterbury. You'll meet and dance with them and hear little snippets of some
interesting things they know about.

The next day everyone is invited to the school and we'll tell you more about the
maths we do.
